Subject: Response to bypass request

All: Attached please find EPA's response to the Washington Aqueduct's request for approval of an anticipated bypass pursuant to Part II, Section B, Paragraph 3 of its NPDES Permit No. DC0000019 and 40 CFR 122.41(m).

I have re-reviewed the original letter agreement among the U.S. Park Service, the USFWS, the NMFS, EPA, and the Corps. I do not believe the letter agreement, which primarily addresses the FFCA and permit re-issuance, requires notice to the signatory agencies. EPA will notify the DC DOE.

Please feel free to contact me if you have any questions. A hard copy will follow.

Sincerely,

Stefania D. Shamet
